Summer Camp at The Paseo Club

- **Movement Camp:** Movement Camp is for children ages 5-12 who are excited to get active with sports and games in a fun and supportive environment. Discover HIIT training, pickleball, swimming, yoga, and more!
- **Tennis Camp:** This is a fun, structured program for children ages 6–16 designed to build skills, confidence, and a love for the game through drills, gameplay, and fitness. Players are grouped by experience level to ensure an engaging and developmentally appropriate camp experience.

Registration for summer camp is a two-step process. Begin by reserving your child’s spot online and making a non-refundable deposit. Next, complete this registration packet to enroll your child in *any combination of the eight weeks of camp*. Each child needs their own packet, so if you have more than one child attending, you must register each one individually.
